

Cocktail, Appetizers and Hors D'oeuvres

.....

At Catering by Colin, we cater to your specific event, especially when it comes to cocktail parties. Your budget, your venue and your event time are all considerations when designing your menu.

We can cater to any appetite and we serve all the most popular appetizers and hot and cold hors d'oeuvres you have grown to love and expect. We have such a wide selection to choose from, that it is very difficult to list all your choices. Also, trends come and go and supplies change from suppliers and from season to season. Having said all that, it is your best option to speak to us directly so that we can cater the menu specifically to your preference.

If you have a menu you wish to serve, we can accommodate, or we will develop a spread that is guaranteed to please all your guests! Contact us today so we can discuss details!
